Summer unofficially begins on Long Island this weekend. Just check the traffic reports.

But all destinations are not on the North Fork or in the Hamptons. Here are three spots that offer fine food and water views that beckon year-round.

Gatsby's Landing in Roslyn offers a view of the pond, styled to impress Jay himself. The spirited cuisine helps, too. Recommended: cacio e pepe made with spaghettini; baked sea bass; fluke crudo; tuna crudo; grilled sirloin steak; chicory salad; grilled octopus; smoked salmon club sandwich.
